

□
2nd Yr. Ambassador Troop #50276 would like to invite you to a

Cadette Journey Workshop

December 2nd, 2017

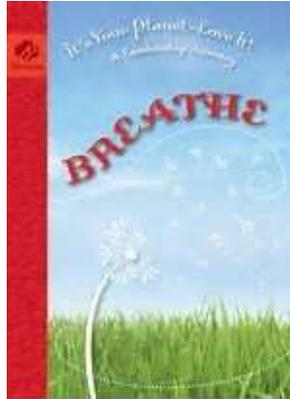

12:30pm to 4:30pm

Eastern Heights Lutheran Church

2037 5th St E, Saint Paul

Corner of Ruth Avenue and Margaret (Church basement)

This is a great opportunity for your Cadette Troop or Individual Cadette to work on and earn their:

Breathe...It's Your Planet-Love it!

A wind farm, an environmental scientist, and experiments using wind teach girls about the air we breathe. Cadettes work together to complete *Breathe! It's Your Planet-Love it!* The girls will follow along as we cover the *Breathe!* Journey. When they have completed this workshop they will be ready to work with their troop on their Take Action Project!

The girls will also get a nutritious snack and beverage following their activities while they visit with their fellow Girl Scouts and older girl mentors.

The cost for the day is \$15.00 per girl and includes all craft supplies, take home activities, certificate of completion and snacks. Girls may also order the Journey Patch set for \$5.00. Please note on order form if you would like patch sets below. Parents, Troop Leader or Troop Co-Leaders are welcome to attend but it is not necessary. We will have plenty of adult volunteers if you wish to drop off your Cadette for the event. Because of the popularity of these workshop we will be limiting the number of girls attending. Please register early to ensure your place at the event!

Ambassador Troop #50276 is putting together this Journey Workshop as a Fundraiser for their Individual Gold Award as well as a Nevada trip they are taking the summer of 2018! They will also have the opportunity to work on their mentoring skills during the event and work on their LIA Award, and their Leadership Training Patch.

They are very excited to offer this event to their fellow Cadette's and can't wait to see you all there!

All stations will be run by 2nd year Ambassadors with Adult Volunteers overseeing all activities.
