

Elf Workshop

Oh my! The elves are getting into mischief! They're shirking their gift making responsibilities by sledding and skiing, having snowball fights, building igloos and teasing the reindeer! Santa really needs help with gift making in order to get them ready for the holidays!

Join us in the workshop to make gifts for your friends and loved ones! Rumor has it the workshop will be visited by "The Big Guy" to check on the progress.

Location TBD – Southwest suburbs

Saturday, December 12, 2020

Varied timeslots

\$15/person

Register by Sunday, Nov 29,
