This is a great opportunity for your Junior Troop or Individual Junior to work on and earn their:

Agent of Change...It's Your World-Change it!

Junior *Agent of Change*. **Power!** In this journey, there's a whole spiral of it waiting for Girl Scout Juniors. This powerful journey is filled with ceremonies and circles, real-life heroines, and special new characters, including the fashion-savvy spider named Dez. The girls will follow along as we cover the *Agent of Change* Journey.

When they have completed this workshop,
they will be ready to work with their troop on their Take Action Project!

The girls will also get a nutritious snack and beverage following their activities
while they visit with their fellow Girl Scouts and older girl mentors.

The cost for the day is \$15.00 per girl and includes all craft supplies, take home activities, certificate of completion and snacks. Girls may also order the Journey Patch set for \$5.00. Please note on order form if you would like patch sets below. Parents, Troop Leader or Troop Co-Leaders are welcome to attend but it is not necessary. We will have plenty of adult volunteers if you wish to drop off your Junior for the event. Because of the popularity of these workshop we will be limiting the number of girls attending. Please register early to ensure your place at the event!

Cadette Troop #54127 is putting together this Journey Workshop as a Fundraiser for their Silver Award as well as a Florida trip they are taking the summer of 2018 as a reward for completing their Silver Award! They will also have the opportunity to work on their mentoring skills during the event and work on their LIA Award, and their Caddie Training Patch.

They are very excited to offer this event to their fellow Junior's and can't wait to see you all there!

All stations will be run by 3rd year Cadettes with Adult Volunteers overseeing all activities.
